

Agenda

INTESA Project | NATIONAL EVENT

**“Information Technology for Safety: synergies on National Single Windows
integration for the Adriatic and Ionian Sea”**

16th December 2021

10:00 a.m. – 02:00 p.m. CET

Italian Coast Guard Headquarters + online streaming

“IMPROVING MARITIME TRANSPORT EFFICIENCY AND SAFETY IN THE ADRIATIC”

INTESA project

(IT-HR INTERREG programme)

Jointly with

**EUREKA project “Adriatic-Ionian joint approach for development and
harmonisation of procedures and regulations in the field of navigation safety”**

(ADRION INTERREG programme)

10:00 – 10:15 Guests' registration (guests in attendance + online connection)

Institutional welcome speeches

10:15 - 10:20 Ministry of sustainable infrastructures and mobility – Maria Teresa DI MATTEO, Vice Head of Cabinet and General Director of DG for monitoring of System Port Authorities, maritime and inland waterways transport

10:20 - 10:25 Italian Coast Guard (host) – Nicola CARLONE, General Commandant

10:25 - 10:30 RAM Spa (co-host) – Francesco BENEVOLO, Managing Director

10:30 - 10:35 Croatian Ministry of the Sea, Transport and Infrastructure (co-host) – Siniša ORLIĆ, Director of Maritime Safety Directorate

10:35 - 10:40 EUSAIR Pillar 2 Italian Transport Coordinator – Pierluigi COPPOLA, MIMS, Italian Focal Point

10:40 - 11:00 Session 1

Moderator: Francesco BENEVOLO, Managing Director – RAM Spa

Common challenges and best practices: an introduction

Port Network Authority of the Eastern Adriatic Sea presents jointly with RAM, INTESA Stakeholders' needs assessment outcomes which will focus on best practices on maritime safety, environmental sustainability and digitalization concerning coastal transport services and nodes through the maritime transport logistics chain, the IT processes and needs for data exchange between Port Community Systems (PCS), also promoting multimodality inside and outside the Programme area at local, national and transnational level.

INTESA Video Pills

Port Network Authority of the Eastern Adriatic Sea – Alberto COZZI, Project Manager

RAM Spa – Roberto MENCARELLI, Project Manager

11:05 - 12:30 Round table n.1

Maritime information sharing, overall improvement of maritime transport efficiency and safety of navigation: innovative solutions for sustainable and competitive maritime transport through maritime informatics.

Themes: importance of updated cartography, Aids To Navigation, data sharing to enhance multimodality via information broadcasting of AIS ASMs messages, innovation, modernization and harmonization of infrastructures, effectiveness of procedures, Port Collaborative Decision Making (PortCDM) concept, Digital Transport Logistic in Europe.

Keynote Speech

International Port Community Systems Association (IPCSA) – Hans ROOK, Chairman

Round Table

North Adriatic Sea Ports Authority (Lead Partner INTESA) – Fulvio Lino DI BLASIO, President

Italian Coast Guard – Giuseppe AULICINO, IMRCC National Coordinator

Croatian Ministry of the Sea, Transport and Infrastructure (Lead Partner EUREKA) – Zdravko SEIDEL, Head of Sector, Maritime Safety Directorate

Central Adriatic Ports Authority – Giovanni PETTORINO, Special Commissioner

Central Northern Adriatic Sea Port Authority – Andrea MINARDI, Chief Information Officer

Rijeka Port Authority – Matko MARACIC, Technical Expert

Ploče Port Authority – Darko PLECAS, Head of Department for Digitalisation

12:30 – 12:45 Q&A

12:45 – 13:00 Coffee Break

13:00 – 14:00 Round table n.2

Moderator: Pierluigi COPPOLA – MIMS, Italian Focal Point

EUREKA and INTESA synergies and challenges: systematic cooperation and coordination among Maritime Administrations – Contribution to the EUSAIR strategy to develop safety, security and competitive regional intermodal port system.

Themes: updating and integrating Mandatory Ship Reporting systems in the Adriatic-Ionian basin (extended ADRIREP), harmonization and standardization of VTS procedures and services, joint VTMS training, implementation of Sea Traffic Management service through AIS network.

Introduction

Croatian Ministry of the Sea, Transport and Infrastructure – Zdravko SEIDEL, Head of Sector, Maritime Safety Directorate

Round table

Italian Coast Guard – Giuseppe AULICINO, IMRCC National Coordinator

Croatian Ministry of the Sea, Transport and Infrastructure – Zdravko SEIDEL Head of Sector, Maritime Safety Directorate

European Maritime Safety Agency (EMSA) - Lazaros AICHMALOTIDIS, Head of Unit

Meteorological and Hydrological service of Croatia – Dijana KLARIC, Head of division Adriatic Marine Meteorological Centre

Slovenian Maritime Administration – Miran BORDON, Head of development and EU projects section

Montenegro Administration for Maritime Safety and Port Management – Nexhat KAPIDANI, Assistant to the Director

14:00 Conclusions
